OUR COMPANY

zudek∞

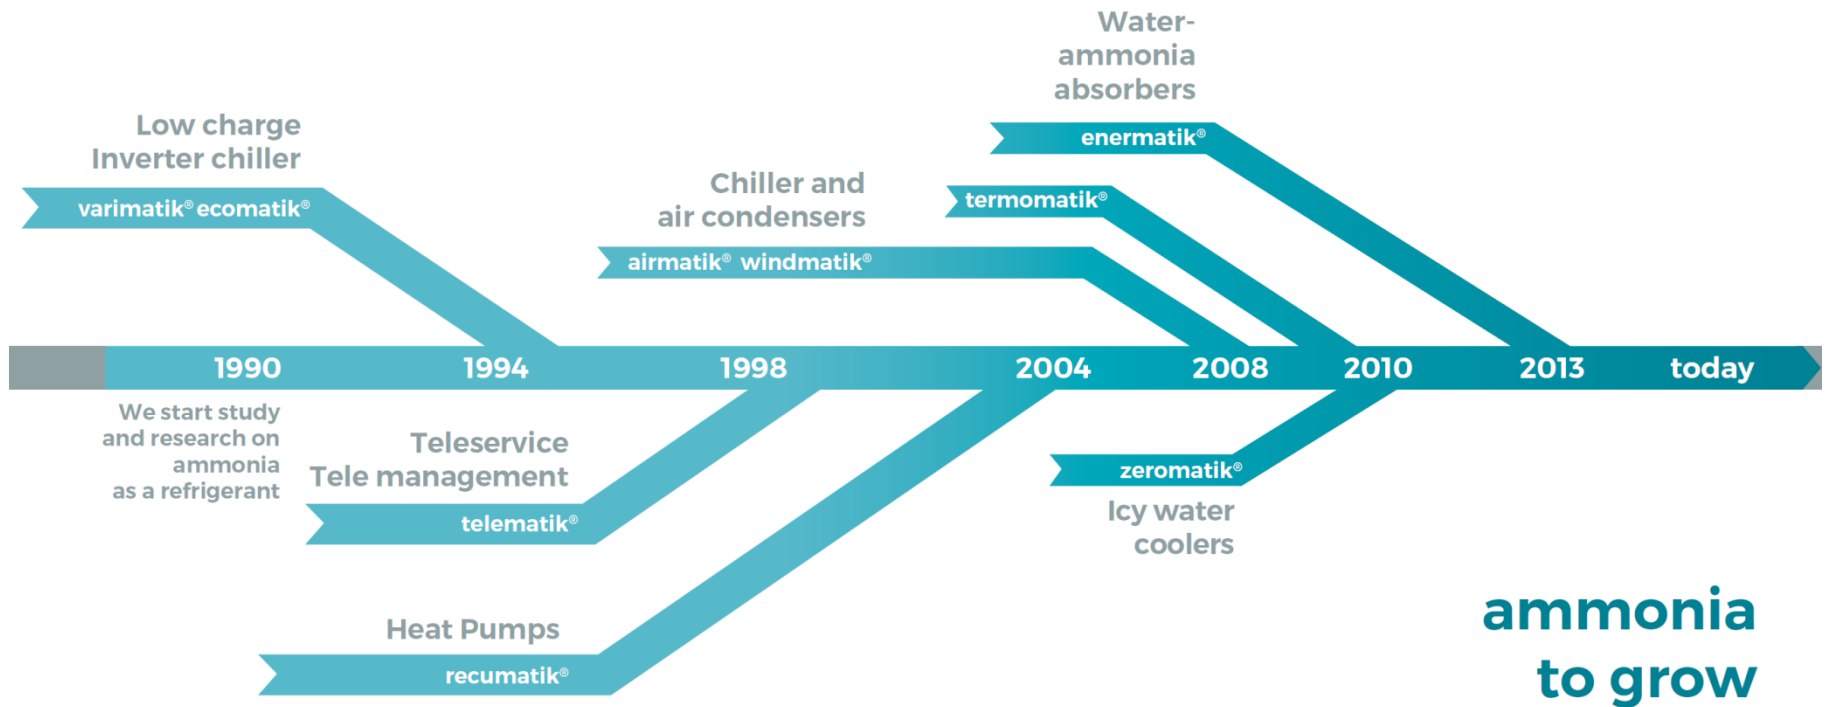

OUR MISSION

High quality and efficiency products for **refrigeration**

energy saving

zudek∞

OUR HISTORY

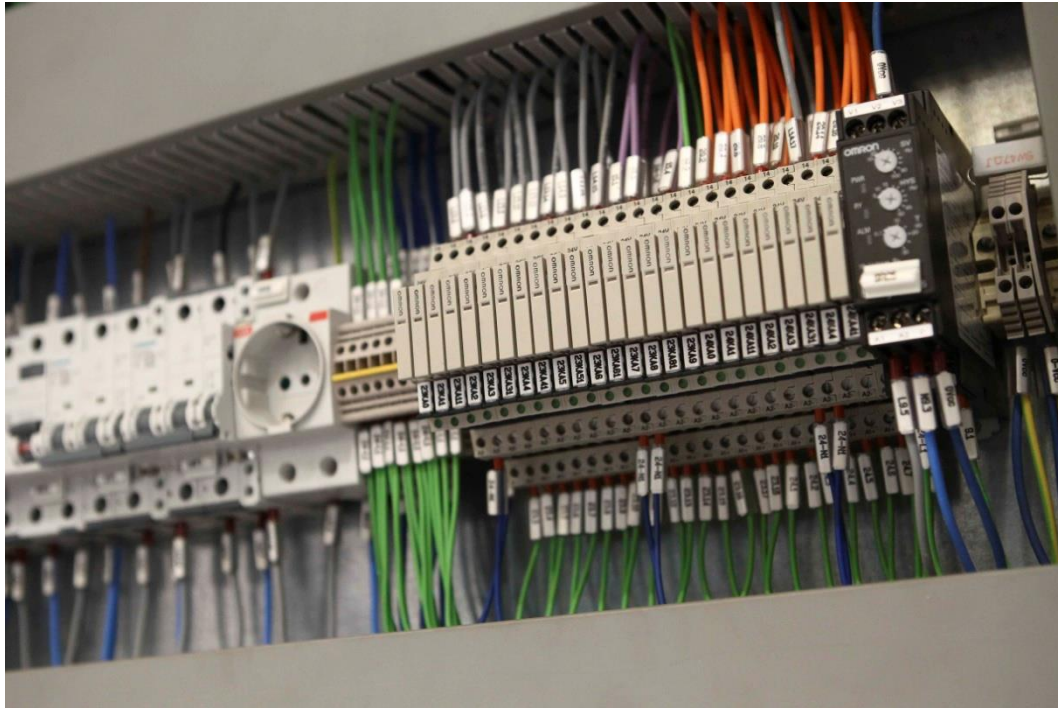

PROJECT

solutions shaped for you

RESEARCH

is curiosity and confrontation
with others

ENERGETIC VISION

optimization is our strong
point

BESPOKE SUITS

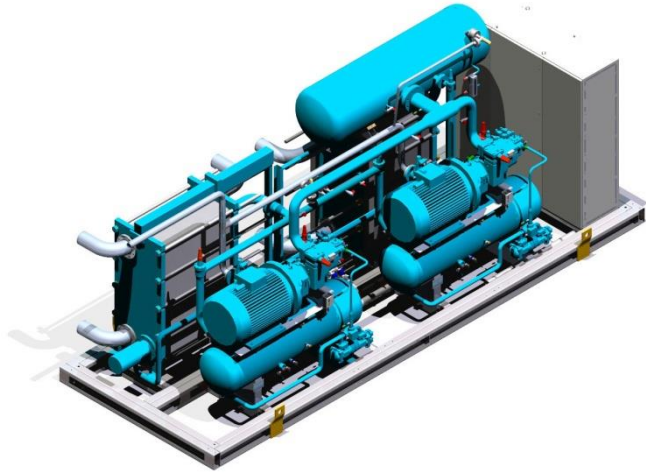

professionals precision,
craftmen flexibility

SYSTEM

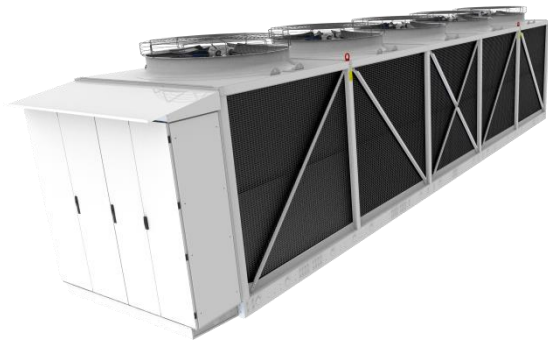

we disclose ecology to new generations

RANGE OF PRODUCTS

CHILLERS

- Ammonia as refrigerant
- Custom made
- Highest efficiency
- Air cooled and water cooled

RANGE OF PRODUCTS

ABSORPTION CHILLERS

- Ammonia/water
- Refrigeration: -45°C / $+5^{\circ}\text{C}$
- No electricity
- Suitable for trigeneration

ZEROMATIK

Direct **water cooling** at +0,5°C

Works on existing plants

Huge **energy savings**

Compact

No icebanks

High evaporating temperatures

From 50 kW to 10000 kW

ICY WATER PRODUCTIONS

ZEROMATIK

Is a patented system that, when installed on any our chiller, can cool water at a constant temperature of 0,5°

The perfect solution for all the dairy companies.

WE TRANSFORM YOUR
DREAMS INTO
SOLUTIONS
